

Trek Parts

Trek Parts - TREK Cleaning Machines is a maker of cleaning machinery. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience effectively designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to providing top quality and new design concepts in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They enjoy providing products that energize both their partners and their dealers and offer production gains to their customers.

The TREK team of staff enjoys new challenges and new tasks. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' needs and skills together with their knowledge of cleaning applications, together with owners' strong desire to significantly reduce expense through productivity gains.

When required, the personnel within TREK and its many dealer members in both parts and in technical support will be obtainable. Amongst their core values is their high service dedication in their customer service. Keeping their clients' cleaning machines ready and running on a daily basis is top priority. The company's top of the line technology delivers reliable equipment which ultimately lessens your cost of cleaning. The price, the service and the product all work as one to make them an industry leader.
